

## INDUSTRIES WE SERVE

## ABOUT US

SFM delivers Integrated Facility Management for healthcare environments, taking full responsibility for all non-clinical services: housekeeping, patient support, MEP systems, sanitation, waste, and safety.

We help hospitals maintain hygienic, compliant, and reliable spaces so clinical teams can focus entirely on patient care.

# Transforming Healthcare Environments with Trust & Precision

## HOW WE HELP

Problem	Our Solution
<b>Infection Risks</b>	Daily cleaning, disinfection, and hygiene checks keep patient areas safe.
<b>Staff Shortage</b>	Trained GDAs and janitors ensure stable support for clinical teams.
<b>Equipment Failures</b>	Preventive MEP checks keep critical hospital systems running without interruption.
<b>Audit Pressure</b>	Digital logs and checklists keep the entire facility always audit-ready.
<b>Waste Handling</b>	Strict biomedical processes ensure safe collection, segregation, and daily disposal.
