

INDUSTRIES WE SERVE

ABOUT US

SFM provides Integrated Facility Management for factories and industrial plants, managing every non-core service through one accountable partner: housekeeping, MEP systems, utilities, waste, security, compliance, and shop-floor support.

By combining trained manpower, preventive maintenance, and disciplined processes, we help plants improve uptime, reduce risks, and maintain a workplace where employees feel protected and equipment performs reliably.

Smart Facility Management for Factories & Industrial Plants

HOW WE HELP

Problem	Our Solution
Safety Risks	Trained teams enforce protocols, reduce hazards, and protect every worker's safety.
Equipment Downtime	Preventive maintenance keeps machines stable, productive, and running with fewer failures.
Housekeeping Gaps	Shop-floor cleaning controls dust, spills, and debris for safer operations.
Waste Handling	Segregation and scheduled disposal keep yards cleaner and processes compliant daily.
Vendor Overlap	One accountable partner coordinates all services with clearer, faster communication.
