

INDUSTRIES WE SERVE

ABOUT US

SFM delivers Integrated Facility Management for malls and retail spaces, taking full responsibility for all non-core operations: cleaning, MEP systems, waste, safety, washroom hygiene, and vendor coordination.

Our unified approach keeps high-footfall environments clean, safe, and welcoming, helping brands create better shopper experiences and smoother daily operations.

Smart Facility Management for Retail & Mall

HOW WE HELP

Problem	Our Solution
Hygiene Gaps	Daily cleaning keeps food courts, washrooms, and common areas consistently fresh.
High Footfall	Mechanised cleaning and quick response teams maintain smooth, safe walkways.
Equipment Downtime	Preventive maintenance keeps escalators, lifts, and utilities running without interruption.
Waste Overload	Regular collection and segregation maintain clean back-areas and customer zones.
Vendor Confusion	One accountable partner coordinates all services with faster, clearer communication.
